

## ENVIRONMENTAL POLICY

ASP Limited in recognition of the increasing demand that products and services are environmentally sustainable within the Railway Controlled Infrastructure, and calls for steps to reduce pollution in an endeavour to rebuild a healthy global environment, have formalised its position in the-following.

- ASP Limited will ensure that in the use of land, both reclaimed and greenfield, its developments are sympathetic to the environment; paying close attention to the storage, treatment and disposal of any hazardous or potentially toxic material to avoid environmental harm. Waste is disposed of by means of a skip to a registered waste management disposal company. Company Registration number is checked with the environmental agency before use.
- ASP Limited will, wherever practical, use building materials and products originating from sources which can be shown to be sustainable and which are re-usable or can be recycled.
- ASP Limited will pay particular attention, to the emission of pollutants, reduction in noise, dirt and to the careful use of pesticides, herbicides and toxic treatments, taking the most stringent precautions to avoid health hazards and ensuring that environmental impacts are minimised during construction activities.
- ASP Limited will continue to develop an environmentally aware approach to the management of the Company, recognising also that sound management of energy and resources in land and materials cuts cost and create competitive advantages.
- ASP Limited will continue its philosophy of seeking to employ caring people promoting a sense of responsibility towards the environment by management and staff within their working role and in their home situations.
- ASP Limited will continue to develop and practice in house environmentally caring policies covering its use of premises, sites, plant and other assets. The Company will also continue to promote energy efficiency and sound environmentally sensitive practices.
- Whilst working under a client Safety/Assurance case, the client policy will apply at all times.

This policy has been endorsed by ASP Limited management who take direct responsibility for its execution.
